

ARCHITECT@WORK - Barcelona

Barcelona - March 29th-30th, 2017

Spain has been on our radar for quite some time now and a lot of exhibitors have been asking for a Spanish version of ARCHITECT@WORK over these last couple of years. This, combined with the fact that the economy is headed in the right direction again is, is more than proof the market is ready for the very first Spanish edition of our exclusive exhibition concept.

ARCHITECT@WORK Barcelona is scheduled on 29 & 30 March 2017 at the CCIB – Centre de Convencions Internacional de Barcelona, each day from 13:00 until 20:00.
